

DECLARATION  
AND POWER OF ATTORNEY  
CIP APPLICATION

As below named inventors, we hereby declare that:

our residence, post office address and citizenship are as stated below next to our name; that

we verily believe that we are the original, first and sole inventors of the improvement in:

*581*  
SUBSTITUTED ACYL DERIVATIVES OF 1,2,3,4-  
TETRAHYDROISOQUINOLINE-3-CARBOXYLIC ACIDS.

described and claimed in the foregoing specification; that this application in part discloses and claims subject matter disclosed in our earlier filed pending application, Serial No. 193,767, filed October 3, 1980; that we acknowledge our duty to disclose information of which we are aware which is material to the examination of this application, that, as to the subject matter of this application which is common to said earlier application, we do now know and do not believe that the same was ever known or used in the United States of America before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to said earlier application, or in public use or on sale in the United States of America more than one year prior to said earlier application; that said common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of said earlier application in any country foreign to the United States of America on an application filed by us or our legal representatives or assigns more than twelve months prior to said earlier application; and that no application for patent or inventor's certificate on said invention has been filed by us or our representatives or assigns in any country foreign to the United States of America, except as follows:

NONE

that, as to the subject matter of this application which is not common to said earlier application, we do not know and do not believe that the same was ever known or used in the United States of America before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States of America more than one year prior to the date of this application, and that said subject matter has not been patented or made the subject of an inventor's certificate issued in any country foreign to the United States of America on an application filed by us or our legal representatives or assigns more than twelve months

prior to the date of this application; and that no application for patent or inventor's certificate on said invention has been filed by us or our representatives or assigns in any country foreign to the United States of America, except as follows:

NONE

We hereby appoint the following attorneys to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith:

Albert H. Graddis.....(Reg No. 15,106)
